## TESTIMONIALS

*"I couldn't believe how many resources they have for us and all for free which blows my mind."*

— Carolina,  
Person with Parkinson's

*"We are not in this alone, we are part of a family."*

— Mark, Caregiver

*"NCF gives a sense of community and respect and you're not alone."*

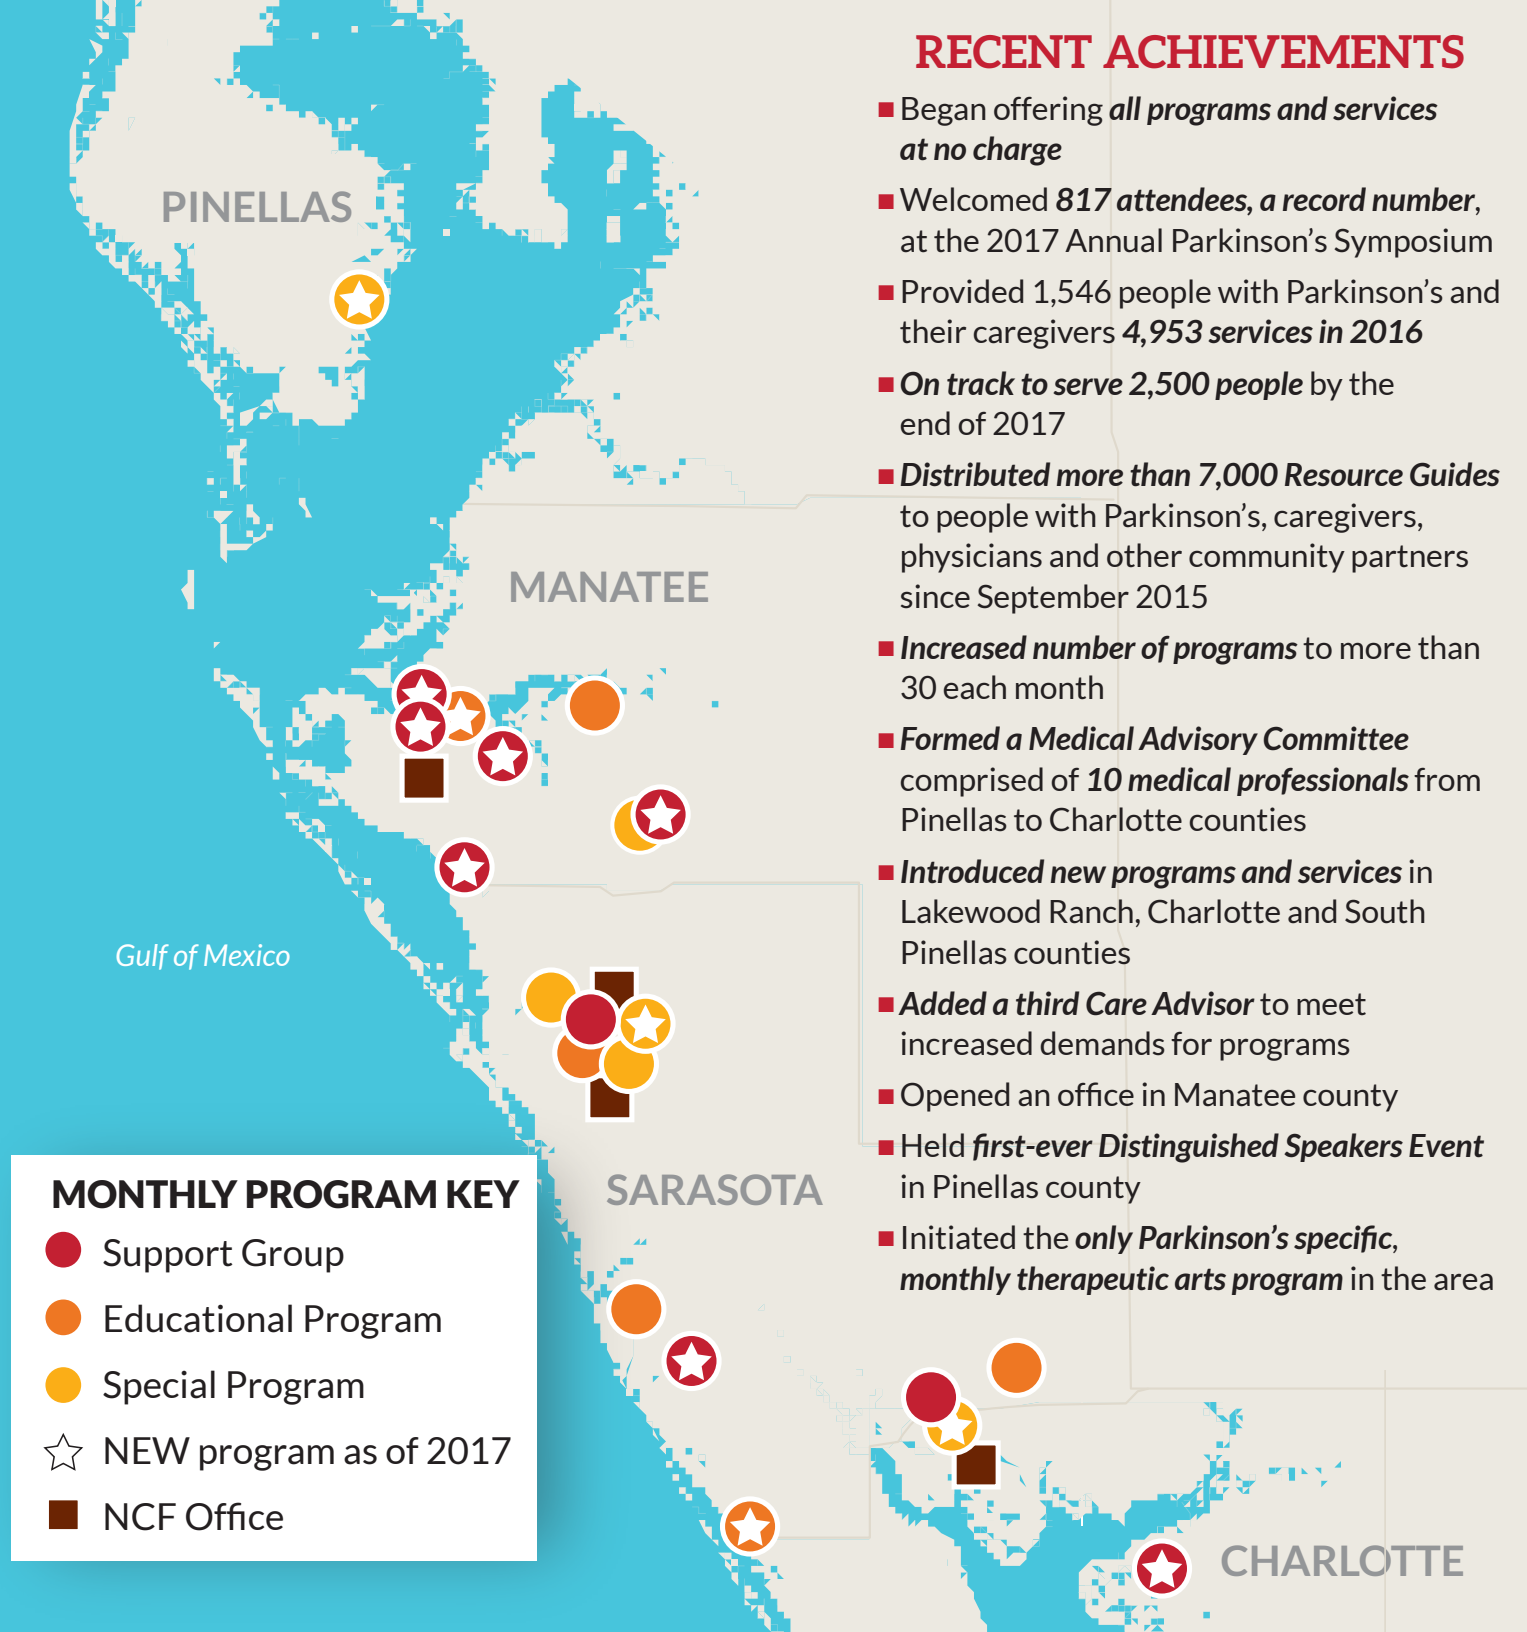

— Dan, Person with Parkinson's

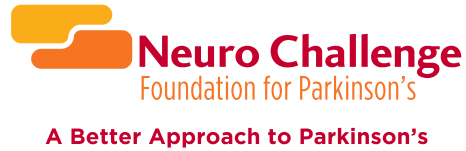

*"It feels like there's a family that can support me when I need it."*

— Peter, Person with Parkinson's

*"They have support groups that help us live with the disease today ... I don't know what I would do without NCF."*

— Patti, Caregiver

## WHAT'S NEXT?

- ★ In collaboration with the Florida Medical Alliance and Neuro Challenge Foundation's Medical Advisory Committee, we are piloting a Physician Education Program to offer Parkinson's specific Continuing Medical Education (CME) credits to primary care physicians.
- ★ We receive numerous requests for programs and services from people with Parkinson's and their caregivers from communities outside our current service area including Sebring, Sun City, Clearwater, Ocala and The Villages. The Neuro Challenge Foundation staff is working to secure funding that would provide programs and support to those communities who currently do not have a non-profit organization dedicated to serving people with Parkinson's.
- ★ Neuro Challenge Foundation will celebrate 10 years of service to the Parkinson's community in 2018.
- ★ Neuro Challenge Foundation will hold the ***first-ever Parkinson's Expo on April 14, 2018 at Robarts Arena in Sarasota, FL***. The Parkinson's Expo will be a daylong event designed to education, engage and empower the Parkinson's community. Like all of Nero Challenge Foundation programs and services, the Expo will be presented at no charge to attendees.
